## 30 DAY MONEY BACK GUARANTEE

All hardware may be returned within 30 days for a refund or exchange provided these items are in like new condition and show no sign of misuse. Shipping charges will not be refunded. Prior to returning, a Return Merchandise Authorization (RMA) Number must be obtained by contacting Customer Service. Any packages received at Vapor 4 Life without an RMA number will be returned to the sender. Refunds/Exchanges can be arranged in one of the following ways:

- 1) Visit [support.vapor4life.com](http://support.vapor4life.com) and request an RMA number
- 2) Contact us toll free at: 1 844 VAPE4LIFE (844-827-3454) to obtain an RMA number

## VAPOR4LIFE 90 DAY LIMITED WARRANTY

The Vapor4Life ("V4L") Limited Warranty (the "Warranty") is offered to original purchasers who have acquired their V4L product from [vapor4life.com](http://vapor4life.com) (if V4L product was purchased from a retailer, please return product to the retailer.) V4L warrants that your V4L product will be free from defects in material and workmanship under normal use and service for 90 days. The V4L Warranty applies only to V4L electronic components and does not apply to E-liquids, Flavor Cartomizers and Tanks, Disposable Products, or Apparel and excludes all Clearance Items. This Warranty does not cover any defects or costs caused by:

- 1) Modification, alteration, repair or service of this product by any persons or company other than V4L;
- 2) Physical abuse to, or misuse of the product or operation thereof in a manner inconsistent with the use indicated in the applicable V4L instruction manual; or
- 3) Any use of the product other than that for which it was originally intended (i.e. the use of unapproved/competitors accessories such as, but not limited to, non-V4L chargers, tanks/cartomizers, power adaptors, USB ports, or similar)

Any express Warranty not provided herein, and any remedy other than the Warranty contained herein that might arise by interference or operation of law, is hereby excluded and disclaimed including the implied warranties of merchantability and of fitness for a particular purpose. Replacement or repair of product is your exclusive remedy under this Warranty.

The V4L Limited Warranty is limited to a maximum of 3 replacements on any given order. The item must be defective (this is not an exchange system), and will be replaced with an equal item from current inventory.

Subject to the above warranty, in the event your V4L device fails to operate satisfactorily, please follow these three easy steps:

- 1) Call our Customer Service Department at 844-827-3454 or contact us at [support.vapor4life.com](http://support.vapor4life.com) us so that we can troubleshoot the issue and authorize your item for warranty replacement if necessary. In this case, a Returned Merchandise Authorization (RMA) number will be issued to you.
- 2) If it is determined that your product requires replacement, we will ship you a brand new item. These shipments will be sent USPS so you should expect to receive a replacement within 3-10 days of your call to customer service. You are responsible for sending the defective product to us in a package with the RMA number that was issued to you printed on the package back to us. If we do not receive this merchandise within 30-days from your replacement postmark, you will be charged the full retail price of the merchandise.
- 3) Please do not send any product unless you have spoken to a V4L representative first. This can lead to confusion and may result in the loss of your item, and therefore the forfeiture of your replacement. After speaking to Customer Support please securely package your item(s) and include within your package a note detailing your order number and requested replacement. If you are experiencing an issue with a single product component, please do not send us your entire starter kit.

Should you have any questions regarding our Limited Warranty, please feel free to contact our Customer Service Department, toll free at: 1 844 VAPE4LIFE (844-827-3454).

VAPOR ZEUS  
AUTO & DUAL MODE  
(510/808)  
USER MANUAL

Zeus Automatic

Zeus Dual Mode

### ⚠️ WARNING

Damages caused by misuse will not be covered by the V4L Limited Warranty

- DO NOT drip liquid in center tube of cartomizer
- DO NOT fill cartomizer when connected to battery
- ENSURE clean surfaces on both the end of the cartomizer and battery before connecting

### 1. FILL IT

1. Unscrew mouthpiece
2. Place cartomizer on flat surface
3. Insert point of the liquid into mesh material

#### NOT INTO CENTER TUBE

4. Carefully squirt 3 mL (small cartomizer) or 5 mL (large cartomizer) of liquid into mesh material (allow time for liquid to soak in)
5. Ensure bottom of cartomizer does **NOT** contain any liquid before connecting to battery

### 2. VAPE IT

\* Always ensure clean surfaces on both the end of the cartomizer and battery before connecting

#### Zeus Automatic:

1. Carefully screw the cartomizer onto battery and begin to vape

#### Zeus Dual Mode:

1. This battery has two mode options: Auto & Manual
2. To change the mode from one to the other, press the button 5-times consecutively

### 3. REFILL IT

1. When flavor weakens it is time to refill your cartomizer
2. Repeat "FILL IT" instructions
3. Always ensure clean surfaces on both the end of the cartomizer and battery before connecting

\* Over 150 flavors available on [www.vapor4life.com](http://www.vapor4life.com)

### 4. CHARGE IT

1. Connect battery and USB cable
2. Connect USB cable to wall charging device
3. Plug into wall (LED turns green when fully charged)

Size	Charge Time (w/ Slim Wall USB Adapter)
Small (650 mAh)	2-3 hours
Medium (900 mAh)	3-5 hours
X-Large (1300 mAh)	5-6 hours
